

# ZTE Speed SIM Card Replacement

Sometimes taken for granted, the SIM card is very important to a phone. The ability to remove the SIM card can be essential.

Written By: Garrett Barry

## INTRODUCTION

Removing the SIM Card is actually quite easy, see how to do it below!

## Step 1 — SIM Card

- Pull off back cover at bottom right corner.

## Step 2

- Press in SIM card, and release as it will partially pop out.

## Step 3

- Remove SIM card.

To reassemble your device, follow these instructions in reverse order.
